

Good Morning

We hope that you slept well last night.

We will be serving your juice, fruit and yoghurt, tea, coffee and bread selection shortly.

Your order for a Hot breakfast will then be taken.

All Hot Breakfasts are cooked to order and to your liking.

Once your order has been taken we will ensure that your freshly cooked meal will be served as quickly as possible.

We would like to take this opportunity to wish you a very pleasant day and we do hope that you get the chance to explore the wonders of West Waterford and the surrounds.
